Dear Frank
I am sorry to have to trouble you with this
but we want to get a place to live in
for several reasons. We have been here
now for over a year and have not
been able to find anything we like.
We have looked at several places
but they are all too expensive.
I have been looking around
and have found one which
is very reasonable. It is
a small house with two bedrooms
and a bathroom. It has a
small garden and a garage.
The rent is \$150 per month.
I would like to know if you
would be interested in it.
I will send you more details
when you get back.
Yours truly
John Smith
